MOUNTAIN BIKER'S RESPONSIBILITY CODE

Mountain biking involves risk of serious injury or death. Your knowledge, decisions and actions contribute to your safety and that of others.

ALWAYS:

1. **STAY IN CONTROL.** You're responsible for avoiding objects and people.
2. **KNOW YOUR LIMITS.** Ride within your ability. Start small and work your way up.
3. **PROTECT YOURSELF.** Use an appropriate bike, helmet and protective equipment.
4. **INSPECT AND MAINTAIN YOUR EQUIPMENT.** Know your components and their operation prior to riding.
5. **BE LIFT SMART.** Know how to load, ride and unload lifts safely. Ask if you need help.
6. **INSPECT THE TRAILS AND FEATURES.** Conditions change constantly; plan and adjust your riding accordingly.
7. **OBEY SIGNS AND WARNINGS.** Stay on marked trails only. Keep off closed trails and features. Ride in the direction indicated.
8. **BE VISIBLE.** Do not stop where you obstruct a trail, feature, landing or are not visible.
9. **LOOK AND YIELD TO OTHERS.** Look both ways and yield when entering or crossing a road or trail. When overtaking, use caution and yield to those ahead.
10. **COOPERATE.** If involved in or witness to an incident, identify yourself to staff.

Know and Follow the Code. It is Your Responsibility.
