

Vehicle Shop Mechanic
Terry Peak Ski Area
Lead, SD 57754

Job Title: Vehicle Shop Mechanic
Job Status: Year Round

Job Summary:

Responsible for maintaining all Terry Peak vehicles, including snowmobiles, ATVs, pick-ups, heavy equipment, snowcats, loaders, and skid steers. Perform preventive maintenance, repair, and troubleshooting of potential problems. Provide assessment on a day-to-day basis to ensure that all equipment is operating efficiently and safely. Must be well-versed in diesel and heavy equipment mechanics, including hydraulics and electronics.

Essential Duties and Responsibilities:

- Maintain and repair grooming equipment as required to ensure efficient, safe operations.
- Perform preventive maintenance repairs and troubleshoot potential problems on all vehicles.
- Provide required log documentation for heavy equipment maintenance.
- Efficiently communicate issues and concerns to staff and management.
- Must be a self-starter and able to work without supervision.

Basic Requirements:

- Able to perform in severe, inclement weather conditions and terrain for sustained periods.
- Able to lift to 50 lbs.
- Must have a US Driver's License.
- High School or equivalent.
- Be able to operate a snowmobile or ATV.

Preferred Experience Special Skills

- Experience in diesel and gas mechanics
- Experience with hydraulic maintenance
- Knowledgeable with general maintenance of heavy equipment
- Knowledgeable in vehicle electronics.
- Skilled at troubleshooting and problem-solving
- Strong written and oral communication skills
